XYLO
THE TIME OF YOUR LIFE

> > >> **LOADED
WITH STYLE**

“ The **clear-lens headlamps** sit snugly in the frame making an intense statement wherever they go.

”

“

The **signature front grille** is gripping and distinctive. The sign of a true Mahindra.

”

“

Add to all this the fact that the Xylo comes in a whole range of **exquisite colours**, from Lucky Lilac to Java Brown, and you've got the classiest chunk of metal you've ever seen.

”

“

Chunky alloy wheels and muscular body contours leave no doubt about this car's masculinity.

”

DRAPED IN LUXURY

“

Space? There's acres of it to enjoy. The third row seats enjoy more legroom than any car in its class. So you can actually keep all the people happy, all the time!

”

“

The auditorium style seating preserves the luxury of conversation with even the third row.

”

“

The cushy seats are clearly the greatest comforter in the Xylo. They come with specially designed contoured foam, shaped to the human body, giving you the most luxurious seating experience. They magically transform into **flat beds** so you can lie stretched in them and boast of completely adjustable armrests.

”

ALIVE WITH TECHNOLOGY

“

The 2498cc **mEagle CRDe engine** with its aluminum cylinder heads, powers this luxury land yacht. Giving you a best-in-class 112 bhp of power to leave stress behind in a hurry.

”

“

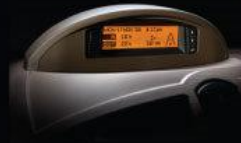

The **2-DIN MP3 audio system** with USB support keeps you entertained and relaxed through the longest drives. Its large attractive display and buttons make operation a joy.

”

“

The **Digital Drive Assist System**, keeps your mind at ease with updates about everything from the car's mileage to AC usage. It can even sound an alarm when the speed exceeds a preset limit.

”

“

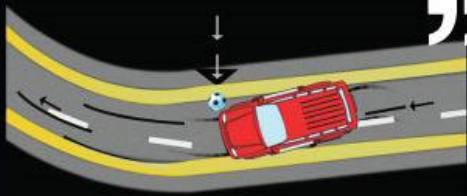

As part of the **intellipark Reverse Assist System**, sensors in the rear bumpers make parking this vehicle as easy as driving it.

”

WRAPPED IN SECURITY

“ The **Anti-Lock Braking System (ABS)** keeps you completely in control as you brake on slippery surfaces like ice and oil. ”

“ **Dual SRS Airbags** for the front seats save lives in the event of frontal impact. Just knowing that they're there sets your mind at ease. ”

“ Security can be taken for granted with the **Remote Transponder-Based Immobiliser**. It renders the engine dead when an unauthorised key tries to start this car. ”
